#### **Reminder for your information:**

Parking at the complex is rather restricted and we must respect the tenants' needs etc. Therefore we have been advised to park on the pavement and double yellow lines (they are now redundant so don't worry) on the left hand side as you enter Chestnut Walk – the map below gives an approximate location. Please **do not park** at, or beside, the central island as access is required at all times.

**Update:** It was noted on Tuesday 14<sup>th</sup> January 2020 that heavy repair work by Severn Trent Water was being carried out at the above location, which is the parking area. Of course, this may well be completed by the day of our meeting but just be aware if it is still in progress.
